

HIS BRIDGE' - NEW INITIATIVES

"Compliments of the Season to You and your Family!"

from Hery & Sonia, 'His Bridge'

Abraham's journey to the Promised Land raises many questions for me. How did he plan such a monumental undertaking? How were his family, flocks, logistics, and provisions arranged? As I reflect on his journey, one conclusion stands out: God's hand must have been upon him. Nothing less than that same divine guidance can ensure the success of His Bridge New Year's journey.

God led Abraham and his wife with a clear purpose: to build a nation that would become a blessing to all the nations of the earth. Walking in the footsteps of the "father of nations," His Bridge New Initiatives embraces this same calling of nation-building. First, God's "Army of Servants" spreads the Good News, conquering hearts, families, villages, and communities. Then comes the next phase: building those nations so that they, in turn, may become a blessing to other nations.

FAMILY

Just as Abraham began with only his wife, Sarah, yet God's promise – to be a great nation - required a family through whom His vision would unfold, so **HB's family is an essential part of the call and inheritance**. Michael and Esther are stepping into the unfolding story, the mission and legacy of HB New Initiatives, as well as the 2026 journey back to Madagascar.

This season is a unique one for them, as young adults discovering how their God-given desires and gifts—expressions of their calling and vision—can find fulfillment in contributing to the Biblical vision for the nations.

Michael brings creative vision and entrepreneurial energy to content creation, website development, and advertising direction, while actively exploring the business world.

Esther, an emerging artist, language teacher, and barrister, carries a missionary heart for children in Asia, using her talents to reach out, bless and inspire.

Sonia carries a deep sense of 'mission accomplished' after her work with survivors of human trafficking, yet her heart remains for the brokenhearted, especially children, ref. [*Isaiah 61*](#). Within the family, she is the **connector and activator**, keeping vision and purpose alive.

Hery has devoted the past three decades to serving youth, leaders- raising up missionaries and advancing the Great Commission. His heart is to see the Kingdom thrive through those called to leadership and influence, the marketplace ministry—particularly entrepreneurs.

Together, our family reflects a shared calling: to carry forward God's vision for the nations, each contributing unique gifts, passions, and experience, united in **HB New Initiatives** as we step into 2026.

2026 PERSPECTIVE

The 2025 festive season was a time of family gathering in Cape Town after the funeral of Sonia's Mom in Johannesburg. It was also a time of getting spiritually and physically ready for 2026 for Sonia and me.

2026 began with my online teaching on the **Nature and Character of God, highlighting His Heart for the Nations**, to our DTS at the **Mercy Ministry NGO** in Tamatave—a ministry we registered in 2004.

2HB: His Bridge Home Base

Today's news headlines tell stories of nations in distress—shaped by war, civil unrest, natural disasters, corruption, and deception. While God's enemy seeks to divide and destroy them, the deeper truth remains: *God loves the nations*. His heart is for the nations to fulfill their destiny by **becoming a blessing to one another**.

With this conviction, **His Bridge (HB)** believes God is calling us to implement a **threefold strategy** for the **2HB Project** in Antsirabe, Madagascar:

- **HOSTING:** Sharing God's love through hospitality rooted in the land and the Spirit
- **CONNECTING:** Embracing purpose through the intentional sowing of 'the seed' of life, and truth
- **DEPLOYING:** Developing nation builders who bring vision, dreams, and projects to life

This threefold strategy will come to life at the **2HB** in Antsirabe. Our 2025 journey to Madagascar marked a time of prayer, discernment, and ground preparation. As we step into **2026, we enter Phase One**—the beginning of our physical relocation to the land God has released and set apart for this unfolding vision.

Thank you to the NGK Fishoek church family for partnering with us over the last 25 years. We are deeply grateful to God for the exciting steps of faith ahead for us together in 2026! What a privilege it is to be part of a “winning team with Jesus.”

Besides, “Father Abraham” truly has many children, and they are meant to share in his blessing, destiny, and inheritance among the nations. We believe that God has many more children, families, churches, and ministries whom He desires to invite into our exciting and faith-building 2HB project, all for the sake of His glory in nation building.

We want to make space for them to partner in this project, and have a far-reaching impact that extends well beyond Antsirabe, which in itself is already significant, all for the glory of God.

Thank you for praying for and with His Bridge, and for staying connected with us. In the Part 3, we will get to concrete steps of what will unfold soon...

JESUS IS WORTH IT ALL! THE NATIONS ARE WORTH IT TOO!

Blessings,
Hery & Sonia
